Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book Towards a Better Life is to analyse the life s issues in order to show how to live a better life In this book, life is considered as an important project; a project that we cannot afford to wait till the end to know our mistakes for it would be too late for corrections A project that we should carry out successfully and accurately right from the start, so we have analysed the objectives of life, the measures of what is right and what is wrong, explored the causes of success and failure, and introduced verification tool to distinguish between what is right and what is wrong The book is meant to be a call for those who struggle midst the high waves of life seas to say: Let us find the rescue route instead of sailing towards many directions and get lost Let us admit that we are arguing about the same issues - without clear definitions of the objectives, without accurate measures to make decisions; each of us would like to prove that he is right and tries to lead others to what he thinks is the rescue route Let us admit that the worst thing to do is to continue the arguments till the end; many people would be led astray because they do not know the right path to follow Let us admit that the best thing to do is to provide proofs and evidences so people may find the truth they are looking for We all know that things are not improved automatically; when companies want to improve their business, they bring consultants to analyse the business and recommend the best systems, procedures...
