The Negro in Federal Employment: The Quest for Equal Opportunity (Paperback)

By Samuel Krislov

Quid Pro, LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Negro in Federal Employment is a classic study of civil rights in the U.S. civil service at a time of tumultuous change and reexamination. Praised widely on its initial publication in 1967, Krislov's book remains an important part of the canon of literature on African American history, labor and civil service, the political science of federal employment and bureaucratic representativeness, affirmative action, and flashpoint issues of race, discrimination, and accommodation- in short, the continuing quest for equal opportunity. The modern Classics of the Social Sciences edition from Quid Pro Books adds a new, reflective preface by the author and a new foreword by Keith Boyum, Professor Emeritus of Political Science at California State University, Fullerton. As Boyum writes, the book remains not only a useful summary of a substantial body of scholarship, but also also draws essential information from government reports and print media during a time of initiatives in the struggle for civil rights. He advises: Read the book for the historical scholarship, and expect to grasp major themes in an economical rendering. It also has continuing usefulness...
