This access code card provides access to the Enhanced Pearson eText Based on the premise that high-quality programs for young children are an essential support for families-a part of the family ecosystem-this resource demonstrates how managers of programs for young children must understand the value of family, as well as the relationships between family, program, and community. Part I of Management of Child Development Programs provides an overview of the demographic and theoretical context within which child development programs operate. Part II focuses on 12 core competencies, derived from a review of currently literature in the field and aligned with NAEYC accreditation criteria, including: personal and professional self-awareness; organizational, fiscal, and personnel management; human relations; facilities management; health and safety; food service; educational programming; family support; marketing and public relations; assessment and evaluation. The Enhanced Pearson eText features embedded video and internet resources. Improve mastery and retention with the Enhanced Pearson eText* This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: * Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. * Convenient.
