Christian Faith Publishing, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jayden s story takes you and your child through the everyday real life experiences of a four-year-old, blue-eyed, blond-haired little girl. You ll see her grow and learn and change as her world changes around her. And your child will be able to grow up with her, as they read about her and her puppy, Toby s great adventures and how much their lives change with the arrival of Jayden s baby sister, Rylee. While these stories will entertain your child, you will find that they instill manners and encourage positive traits and attitudes, as Jayden faces first day of school jitters, making new friends, and the excitement and insecurity that comes with the arrival of a new baby. Throughout everything, Jayden learns responsibility, compassion, forgiveness, and respect. But not without a silly antic or two along the way. Look for upcoming books from the Jayden and Rylee Series where Jayden will learn about bullying, lying, jealousy, consequences, sharing, and caring and more. Your child will see Toby and Jayden grow closer and get into a little trouble along the way. Rylee will make things even more outrageous as Jayden tries to see where everyone fits in the realm of things and figures out just how great a baby sister can be!.
