Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Victoria Stevens just landed her dream job, as an interior designer for Carrie Ellison. Her life is on track; except for her love life. Her best friend insists she has the perfect guy for her. Not again; Victoria refused to be fixed up on a blind date with anyone. She allowed Debbie to fix her up once with a perfect guy named Wilbur. That turned out to be a nightmare. Victoria was designing a beautiful entryway for a client, when fate intervened. She was knocked off of a ladder with a chandelier. She was taken to the ER, where she met the handsome, sexy and sweet Kyle Morgan. Is he a sexy ER doctor? No he is her nurse; but he is the sexiest man she has ever seen. When he touched her ankle it wasn't pain that radiated up her leg, but sexual electricity. When she looked into his sexy, brown eyes she was mesmerized. Victoria found in Kyle a man to rock her world. She thought sex like she shared with Kyle only existed in movies and novels. But Kyle proved her wrong. He constantly challenged her to try new things. She is a strong independent woman. But when she is with Kyle, she can be the weak one, without feeling compromised. Interestingly enough, Kyle was the perfect guy Debbie had in mind. Will Victoria and Kyle be able to make the perfect couple or will mistrust and their independence rip them apart?.
