## NO HARM

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. After her mother s savage murder, Kate Teague becomes the killer s next target. Ash falls on the cemetery like grey snow, blown in from a wildfire that burns a mile off. A crowd has turned out to watch Kate bury her mother, not because they loved her - nobody loved her - but out of curiosity. This town has never seen a murder so brutal. Suspecting a mugging gone wrong, the police comb the area for drug addicts. But then they find the rich old lady s purse, full of cash and credit cards. The purse surfaced on the beach of Kate s family home three days after the attack, which means the murderer is nearby - and heiress Kate appears to be the next target. After the first attempt on her life fails, Kate starts her own investigation. Everyone in town had a reason to hate her mother, but why would anybody try to kill Kate Teague?.
