Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Transactions of the University of Toronto Engineering Society: With Which Is Incorporated the Applied Science; 1924-25 The queenston-chippewa power plant is still being added to, three more units being now in process of installation; that also means a large amount of new work in connection with this magnificent plant. Another extensive hydro-electric plant, the construction of which is just now completed, is the La Gabelle plant on the St. Maurice River, eighty miles from Montreal. The units in this are thirty thousand horse-power each under sixty feet head. -they are being built by our. Canadian works and Canadian engineers and represent the latest designs in both hydraulic and electrical equipment.
