

The Physical Body, the Spiritual Body

By Ainsley Chalmers

BalboaPressAU. Paperback. Condition: New. 96 pages.

Dimensions: 9.0in. x 6.0in. x 0.2in. I became a Christian in my fortieth year. Not long after, it dawned on me that there was a spiritual counterpart to some of my medical research findings and to what I had been teaching medical students. This research included my findings in the areas of cancer, renal stone chemistry, clinical biochemistry, and factors affecting immunity. This correlation between the physical and spiritual was exciting and enhancing to my Christian walk and is discussed in detail in this book. I have tried to remove any scientific terms and details which may confuse the reader and have written it in a simplified, hopefully more understandable, scientific language so that even those with limited scientific knowledge may understand it. In my initial Christian walk, I was a theistic evolutionist for about twenty years. That is, I believed in God but went along with the evolution story as I had been taught in university studies. However, the first few chapters on Genesis in the bible didn't make much sense through the lens of evolution. So I brought my scientific knowledge to test these chapters of Genesis. To cut a long story short,...
