Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Who Told You That! And Why Did You Believe It? asks the readers to examine life in a whole new light, reconnect with their true self, and forge their own authentic path in life. It posits that the key to success lies in asking the right questions, not repeating the correct answers. It s based around the author s philosophy of Process Living, the art of defining who you are and acting on it. It s a way of living that seeks hard questions over easy answers - a road map for finding your true path in life. The author s goal is to stimulate the readers to rethink their personal foundations for truth in order to achieve their personal and professional goals and draws from the author s two decades of experience helping to develop businesses and individuals alike. His method is both challenging and demanding, but its purpose is to direct others into leading the life they have always dreamed of living. Original, innovative, and thought-provoking, Who Told You That! And Why Did You Believe It? is a worthy contribution to the literature of self-definition and owning your own life. It draws its precepts from the author s lifelong exploration of world religions and philosophies. This book is ultimately a hands-on guide to living life as an enjoyable process and teaches the reader to seek reward in taking the right action every day.
