Neuware - My long experience as an Arabic teacher for foreigners has shown me that there is an increasing need to provide learners with a quick language course that facilitates communication at an early stage between Arabs and English-speakers. Daily life and holiday conversations The conversations include short, clear, common vocabulary, terms and sentences taken from holidays and everyday situations. Texts are written in Egyptian Arabic and English. We have also given you phonetic forms to help fluency and pronunciation. The texts in Arabic as well as the examples given show the students the correct way of writing those dialogues.
