This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, printed single-sided, grade: 1,0, University of Bayreuth (Intercultural Anglophone Studies / American Studies), course: Hauptseminar Science / Fiction, 16 entries in the bibliography, language: English, abstract: Only now can we appreciate in how many different ways the Origin departed from established concepts and how many new directions it opened up. Every modern discussion of man's future, the population explosion, the struggle for existence, the purpose of man and the universe, and man's place in nature rests on Darwin. (Mayr 1975: 7) With these words Ernst Mayr opens his introduction to the facsimile of the first edition of Charles Darwin's *On the Origin of Species* and thus outlines the dimensions of its significance and place in cultural history. What separates the Origin and its author from many other scientific works of similar importance is the degree to which they have been brought up in public debates and controversies; a trend that has continued to this day. Darwin touched upon...
