Satz (Trevose, PA United States) - \nOf the hundreds of computer/math/science/engineering books I have, this has got to be one of the prettiest. The screen shots are in full color and are very clear and legible; would that other computer books be so pleasant to read! This book is a step-by-step guide for setting up your wireless network painlessly. Get it, regardless of your level of computer skill; I run a systems engineering company, Transpower Corporation, in metropolitan Philadelphia--so I'm in the business, and even I learned a few new tricks. "I am an avid purchaser and reader of the Visual series, and they are the greatest computer books I've seen. Your books have definitely given me a greater understanding of my computer, and have taught me to use it more effectively. Thank you very much for the hard work, effort, and dedication that you put into this series. " -Alex Diaz (Las Vegas, NV) "Teach Yourself Visually" sidebars offer practical tips and tricks Full-color screen shots demonstrate each task Succinct explanations walk you through step by step Two-page lessons break big topics into bite-sized modules Book Info Visual guide to teaching yourself wireless networking.
