A year after you have proudly become a parent, your little bundle of joy is starting to develop and so are your parenting activities and development. Along with your baby, the parenting activities that you are going to deal with are also becoming more complex. Indeed, parenting toddlers may not be easy, but the rewards will be bigger. Seeing your toddler's first steps, teaching your toddler how to speak, teaching better sleeping habits, playing with your toddler and teaching them all kinds of new activities - these are the priceless memories you will cherish. This toddler parenting guide book is destined for parents who want to reinforce their education about raising a toddler, who need friendly advice in toddler parenting, but also to future parents of toddlers, who want the education ahead of time. It is a perfect toddler education guide book, offering entertaining yet useful lessons in all toddler development phases. This parenting toddlers guide book comes in 14 chapters, each teaching a particular phase in your toddler's development. You will learn how to deal with parenting activities, with love, care and patience. You will find quick and to-the-point answers to every major problem that can occur in this confusing yet delightful life development. Firstly you will learn about the actual changes your toddler is going through and you will find out more about toddler development. Next you will see how to fulfill your new parenting activities - a teacher and a nurturer at the same time. Do your parenting well and get the sweetest pay in the world - kisses, hugs and smiles. In the next two chapters, we get to the fun part - playtime! Your toddler...
