

Ford Sterling: The Life and Films (Paperback)

Filesize: 6.51 MB

Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

FORD STERLING: THE LIFE AND FILMS (PAPERBACK)

McFarland Co Inc, United States, 2007. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Vaudeville, burlesque, Shakespeare, baseball - in the course of his career, Ford Sterling performed them all. The well-educated son of a middle-class Chicago family, Sterling succumbed to homesickness and the acting bug, leaving his college career at the age of 18. After trying a variety of performing activities - including working as an aerobatic circus clown - Sterling found his true niche in comedy. Best known for his role as the Keystone Kops villain, Sterling was a comedy legend as great as Charlie Chaplin in the opening decades of the twentieth century. He left his mark on silent film and effortlessly made the transition to sound; becoming one of the most sought-after character actors of the 1920s. From *Many Unhappy Returns* to *A Dutch Gold Mine*, this biography chronicles the life and times of George Ford Stich, Jr. (aka Ford Sterling). It follows Sterling from his childhood to his college days at Notre Dame, where he got his first taste of acting. The main focus of the work is Sterling s career, from 1911 to 1937, which is unfortunately largely forgotten today. With an emphasis on correcting inaccuracies and restoring Sterling s legacy, this volume examines his on-screen work, his production ventures, his involvement with the Screen Actors Guild and his final debilitating illness. A detailed filmography provides all known production, cast and crew information as well as a synopsis for each film. The work is also indexed.
