## **SOLUTION TALK: HOSTING THERAPEUTIC CONVERSATIONS (PAPERBACK)**

[DOWNLOAD](#)

W. W. Norton Company, United States, 1992. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Solution talk is a term Furman and Ahola use to refer to a constructive and agreeable manner of talking with people about problems. A conversation dominated by solution talk rather than problem talk is characterized by an atmosphere of mutual respect and is likely to focus on the future rather than the past, on resources rather than failings, on success and progress rather than failure, on credit rather than blame, and on solutions rather than problems. This book brings the principles of solution talk to life. Furman and Ahola demonstrate that in situations where there seems little or no reason to hope, where the burdens of the past seem too heavy to bear and the future looks dark, there are always some overlooked resources. They show that in uncovering resources one does not have to be serious--much can be accomplished by injecting a small dose of humor within the context of a large dose of respect. Furman and Ahola persuasively demonstrate how simply inviting people to generate visions of a positive future can open the way to new possibilities. They provocatively argue for a more constructive vocabulary to refer to problem behavior and stir the imagination of the reader by eschewing conventional psychological explanations in favor of inventive--even absurd--ones. If these principles were presented without clinical examples, readers might doubt the applicability of solution talk to difficult and seemingly intractable cases. But the authors have provided an impressive collection of case material and clinical vignettes, including work with individuals, families, and organizations. Told with candor, respect and humor, these stories refreshingly document the emerging view of psychotherapy not as a method of curing disturbed people and families, nor as a...
