Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.More than merely stepping through the streets and trails of a land, the narrated word allows one to learn about ideas, sense passions and glimpse dreams of a place and its people. Here are eight short stories about Taiwan: an island, a manufacturing powerhouse, a nation of Buddhism and Capitalism, a land straddling a geographical ring of fire as well as a political one, a country colored by both ancient traditions and high-tech modernity. Written by authors who have called Taiwan home, each tale offers an absorbing perspective on this unique country. *Parental Discretion Is Advised.
