CARMILLA A TRAGIC LOVE STORY

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 110 pages. Dimensions: 8.2in. x 5.5in. x 0.6in. Carmilla is the story that created the modern day vampire. The House of White version is the only one to present the original unabridged tale (the real story) of Countess Carmilla Karnstein in its entirety with original illustrations, a glossary of Victorian terminology used by Le Fanu, and masterpieces of art that deepen ones understanding of who Carmilla was instead of merely relying on a third-hand account of young girls jaded memory, twenty years lost in passing. Carmilla was the vampire to break the mold of rotting flesh and foul stench. She was the very first romantic vampire, and after inspiring Bram Stokers Dracula, she has continued with us, always in the shadow, influencing culture with a subtlety that is as alluring as it is elitist. A multi-layered story of love, loss, and a yearning for both a past and a future unobtainable, and finally of great sacrifice. Carmilla ranks as one of the worlds great tragedies. A lonely young girl living in a desolate area in Austria is befriended by a young countess after what seems a chance encounter. Lauras innocence and sheltered life prevents her from seeing the obvious, that her new friend Carmilla is a demon of the highest order, and one who has fallen passionately in love with her. Over time, Carmillas lust for Laura, and her soul, overpower her caution, and the serenity of a life of seclusion becomes anightmarish existence for Laura as her world unravels in ways that can never be repaired. The tale of Carmilla is enchanting and hypnotic to this day. The prose is pure Victorian, alien but accessible, set in a fashion that forces you to forget your daily...
